OBJECTIVE

A skilled designer and video editor with extensive experience in Adobe Photoshop, Premier Pro, Illustrator, and After Effects, seeking a challenging position to utilize my creative abilities and technical skills to enhance the organization's branding and communication efforts. A team player who can work well under pressure and meet tight deadlines.

PROFESSIONAL EXPERIENCE

Graphic Designer and Video Editor
Inventrax Pvt Ltd.
Dates: 7th November 2022 to Till Date

- Conceptualized and produced high-quality videos using multiple tools, including Adobe Premiere Pro and After Effects, and graphic design for various projects, including SaaS WMS and Skubiq, incorporating 3D effects and advanced graphic designing techniques.
- Developed visually appealing and effective professional PPTs for high-class presentations, leveraging Adobe Illustrator and other software tools.
- Leveraged industry-leading software tools, including Adobe Photoshop, AI, and Canva, to provide photo editing services that met and exceeded clients' expectations.
- Designed brochures and flyers using Adobe InDesign Tool, demonstrating an ability to create aesthetically pleasing and effective print materials.
- Developed VFX videos for Skubiq and demonstrated the ability to freelance for YouTube videos and short films, meeting tight deadlines and delivering high-quality results.
- Produced new content-rated videos for SaaS WMS and Skubiq, incorporating industry-leading software tools to produce visually appealing and engaging content.
- Designed vectors, icons, and shapes for the company website using Adobe Illustrator, ensuring that the site's design was visually appealing and easy to navigate.
- Utilized Adobe Audition to record sounds for videos, ensuring that audio quality was of the highest possible standard and that soundtracks were synchronized with video content.
- Produced festival greeting videos for company clients and audiences to post on social media, incorporating engaging graphics and other visual elements that helped to promote the company's brand and values.
- Designed a background for the company website using Photoshop, demonstrating an ability to create visually appealing website designs that helped to enhance the company's online presence.
